(For Veterans, including National Guard & Reserves)
(\$3,000)
Revised Oct. 2007

AMVETS is proud to announce the establishment of the "Dr. Aurelio M. Caccamo Family Foundation Memorial Scholarship." The scholarship is in memory of and honoring Dr. Caccamo, an immigrant to the United States, who gave of himself both in his chosen profession as a physician and in his service to the U.S. Army Reserves.

Two \$3,000 scholarships will be awarded nation wide, per year, for the duration of the grant. The scholarships are for veterans, including members of the National Guard and Reserves, seeking new skills in order to be more competitive in the job market. The one time \$3,000 award may be used for part time or full time undergraduate courses, accredited degree or certificate programs, including online schools.

Biographical sketch of Dr. Aurelio M. Caccamo:

Physician, born in Rome, Italy July 1, 1923. Graduated from medical school in Rome and immigrated to the United States in the early 50's. His primary interest was orthopedic surgery but he was accepted into an anesthesiology residency program in Illinois and upon completion went into private practice at Illinois Masonic, Westlake, Gottlieb, Walther Memorial and Cook County hospitals. Dr. Caccamo loved his adopted country and was drawn to service in the United States Army Reserves, serving in the Special Forces and retired as a Colonel. Following his retirement from the medical profession as an anesthetist, he renewed his interest in orthopedic surgery, his first love, and for the last fifteen years of his life, he was associated with the Dept. of Orthopedics at the University of Illinois in Chicago. Dr. Caccamo was also a pilot, owned his own plane and loved to skydive. He loved animals and was supportive of agencies caring for animals, as well as the Brookfield Zoo in Chicago. In 2001, he established a Family Foundation to benefit the charities, organizations and institutions that he came to enjoy and support during his lifetime. Dr. Caccamo died in January 2004.
